ENCOURAGING ELECTIVES

Main Speaker:

Alli Muscatt

Alli Muscatt grew up in a Christian home but didn't take hold of the wonderful truths she'd been taught from childhood till her early

20's when Jesus radically changed her heart and life. She has spent the last 16 years serving in fulltime ministry, the majority of those as a women's pastor in Western Sydney. Alli loves teaching the Bible to women, spending her weekends camping with her family and binge-watching Netflix series with her husband. Alli will be sharing with us primarily from Colossians 3: "Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience." (Col 3:12 NIV)

We are back at our favourite venue:

Emmanuel College, University of QLD

Sir William MacGregor Drive
ST LUCIA QLD 4067

Please call Christine Kernke if you need help with public transport information.

Cost: \$60 which includes morning tea, lunch and afternoon tea.
\$55 for Students & Pensioners

Fees are non-refundable after 16th May 2020

1. Rewire Your Thinking

Many women are facing anxiety and depression in today's world. Monique will share strategies on how we can align our thoughts with God's word.

Monique White

2. Am I God's Princess?

Visit any Christian bookstore and you will find books, mugs, t-shirts telling us we are God's princess. Alli will explore this idea and share more helpful biblical language as we work out our identity as Women in Christ.

Alli Muscatt

3. Heartfelt Listening

Michelle will explore and explain how to listen to someone's heartfelt concerns, and share the scriptures with them, without descending into platitudes.

Michelle Philp

4. Take a moment to diffuse.

Juliet will show us how to create a lava bead bracelet and explore the benefits of different essential oils for our health and well-being.

Juliette Brinner

5. Prayer – Complete the Outfit

We are commanded to pray, but so many of us struggle to put it into practice. Chris will share what God has taught her about prayer from His word and give us tips for growing prayer within your church.

Chris Keith
